FACE OF THE AMERICAN DREAM
IMMIGRANT-TURNED-BILLIONAIRE SHAHID KHAN'S INNOVATIVE CAR DESIGN GIVES HOPE TO THE DUST BELT. NOW HE'S KEEN TO CURE FOOTBALL'S BIGGEST HEADACHE

The image shows the cover of Forbes magazine from September 24, 2012. The cover features a portrait of Shahid Khan, a man with a mustache wearing a dark pinstriped suit and a blue tie. The magazine title 'Forbes' is prominently displayed at the top. Below the title, there is a blue starburst graphic containing text about an 'INNOVATION SPECIAL'. At the bottom, the main headline reads 'FACE OF THE AMERICAN DREAM' and a sub-headline mentions Shahid Khan's car design.

OVERCOMING CHALLENGES: LEARNING ABROAD IN A TIME OF GLOBAL CHANGE

Besides science, studying abroad gives you an opportunity to understand cultural differences with the people around the globe.

There are so many Cultural differences between Pakistan and USA that are based on interaction among people, societal life and religion.

The Pakistani culture is very casual, social and based on Islamic values.

Whereas,

US culture is very formal, limited to their franchise and based on secular values

FOOD BARRIERS

TRADITIONAL PAKISTANI AND US BREAKFAST

TO OVERCOME FOOD BARRIER ABROAD

Start with the familiar food items

Eat simple

Try something other than you eat normally

Share the taste with people abroad

Get connected with your community and ask them possible way of adaptation of foreign foods

Eat healthy

TO OVERCOME CLOTHING BARRIER

“eat what you like and wear what other people like”

Going beyond the barriers and shedding of every preconceived notions about any person before the interaction can be effective for cross cultural communication

Thanks.....!
