Takeaways

- 🐙 Sharing your opinion does not mean you are confronting someone
- 🐙 If you ask with respect, you are treated with respect
- 🐙 Not a personal attack on a person or their ideals
- 🐙 Things are only understood through conversation
- 🐙 Life is an adventure...treat it as such

Kiwi Conversation Starters

“I’m not familiar with _____, could you please help me understand why things are done that way”

“I am curious about _____”

“How do you feel about _____”

Acknowledge your ignorance in a topic

Express your desire to learn

Ask follow up questions that show you are paying attention

If further understanding is needed, ask for a personal anecdote

Thank them for sharing a part of their culture and their world with you

Moving Forward

- 🦜 Dive into diverse situations
- 🦜 Make yourself uncomfortable
- 🦜 Force yourself to have encounters that make you think
