WELCOME!

We're glad to see you've come to find out why so many Spartans are making education abroad a part of their MSU career!

The Expo is open until 5:00 pm and offers you 180+ tables displaying information about virtually all of MSU's education abroad programs - a one-stop shopping experience!

We recommend walking through the Expo at your leisure and striking up a conversation with anyone working at a table - they're here to help and want to talk with you! Whether you have questions about individual programs, funding opportunities, travel logistics, or health and safety issues, there's someone here who can help provide you some guidance.

After the Expo, please be sure to visit our advising center in the International Center. It is staffed by Peer Advisers who have already participated in a program abroad and have been trained to answer a variety of questions. Walk-ins are welcomed and encouraged!
