

The Directors of the Integrative Studies Centers approve substitutions based on the course outline provided by the seminar instructor. At this time, your UGS 102 class can substitute as your 200-level ISS course, ISB course, or second-level IAH course (IAH 211-241). Current and pending approvals are listed below.

Honors College and Academic Scholars students must complete an honor's option (HO) to obtain a substitution. Students will receive information about how to do the HO with their FSA orientation materials.

Contact Dr. Sheila Marquardt (marqua36@msu.edu) with questions.
