

The Directors of the Integrative Studies Centers approve substitutions based on the course outline provided by the seminar instructor. At this time, your UGS 102/105 class can substitute as your 200-level ISS course, ISB course, or second-level IAH course (IAH 211-241), depending on approval. Current and pending approvals are listed below.

Honors College students and Academic Scholars must complete an honor's option (HO) to obtain a substitution. Students will receive information about how to do the HO with their FSA orientation materials.
